

SIRUS ELECTRONET INDIA PVT. LTD.

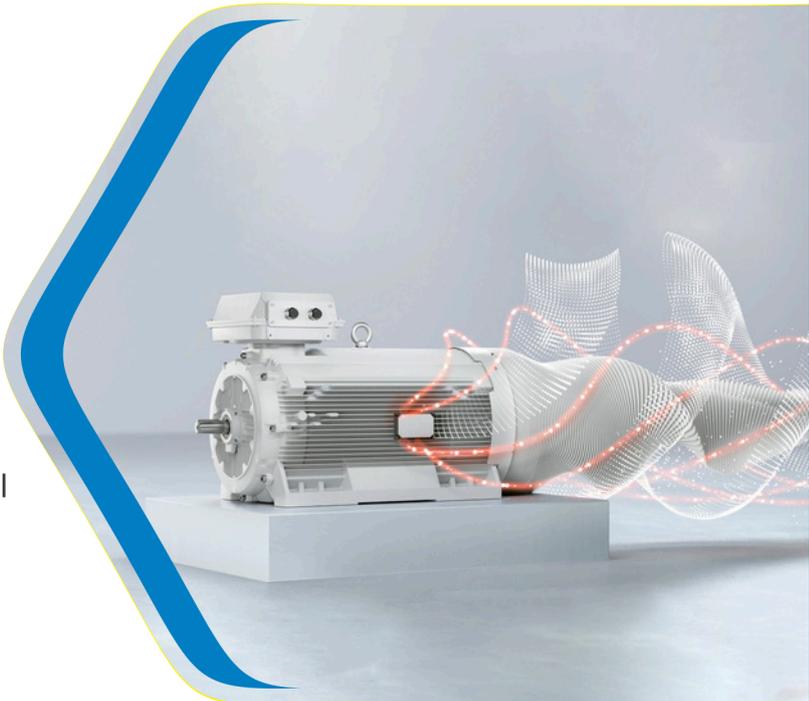

Powering India's Industries

ABOUT SIRUS

SIRUS Electronet is a professionally managed marketplace for Industrial Electrical, Mechanical & Automation Products with an objective to become your **'Single Window for all your Industrial requirements'**.

We are headquartered at Hyderabad with branches across multiple cities to cater to our customers. Our team of qualified **sales and service engineers** are capable to provide strong technical support and offer the right solution

Our prestigious clientele includes leaders and market makers across all industries.

OUR PRODUCT PORTFOLIO

AC Motors

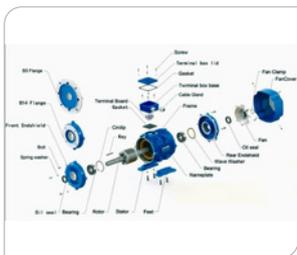

Gearboxes & Geared Motors

Variable Frequency Drives (VFD)

Industrial Automation

Spare Parts

Switchgears

Junction Boxes & Distribution Boards

Panels & Enclosures

AC MOTORS (LV)

Energy Efficient Motors
(IE2, IE3, IE4 & IE5)

Flame-Proof Motors
(IE2 & IE3)

Brake Motors
(IE2 & IE3)

Crane & Hoist Duty Motors
(IE2 & IE3)

Cooling Tower Motors
(IE2 & IE3)

Single Phase
Motors

Slip-Ring Motors

EC Titanium Ultra
Efficiency (IE5)

NEMA Motors

GEARBOXES AND GEARED MOTORS

Inline Helical Gearbox

Worm Gearbox

Bevel Helical Gearbox

Compact In-Built
Geared Motors

VARIABLE FREQUENCY DRIVES (VFD)

- ◆ Low Voltage (LV) Drives
- ◆ 0.18 kw to 3000 kw
- ◆ All Industrial Applications
- ◆ Prompt pre-sales and after-sales service support

What We Offer?

 Installation & Commissioning

 Troubleshooting & Diagnostics

 Retrofitting & Upgrades

APPLICATIONS

All Compatible General-Purpose Drives

HVAC / Compressor Applications

Pump & Fan Applications

Conveyor Applications

Food & Beverages Applications

Mixers & Centrifuges

INDUSTRIAL AUTOMATION

Our experienced team specializes in seamless integration of automation systems across various industries. We understand the complexities involved in synchronizing different components and technologies to create a unified and efficient system. From concept to implementation, we work closely with our clients to design, develop, and deploy tailored automation solutions that enhance productivity, reduce downtime, and optimize operations.

What We Offer?

 System Integration

 Customized Solutions

 Maintenance & Support

AC Motors

Servo Drives

VFD

PLC

HMI

Sensors

💡 SPARE PARTS – MOTORS & ALTERNATORS

Complete range of spare-parts of Motors & Alternators of all reputed manufacturers

AC Motors (LT & HT)

- ◆ Cage Motors
- ◆ Slipring Motors
- ◆ Flameproof Motors

DC Motors

- ◆ Solid yoke
- ◆ Lam yoke

Alternators

- ◆ Brush type
- ◆ Brushless

Slipring

Spindle Rod

Brush Holder

CC Ring

Slipring Cooling Fan

💡 SWITCHGEARS

MCB

MCCB

RCCB

Contactors & Overload Relays

Soft Starters

MPCB

Isolators / Load Break Switches

Cable Drums

Push Button Station

Plug & Socket

Cable Glands

JUNCTION BOXES & DISTRIBUTION BOARDS

Thermoplastic Junction Boxes

Cable Junction Boxes

Distribution Boards

Mild Steel (MS)

- ◆ High quality CRCA (branded) steel sheets
- ◆ State-of-the-art manufacturing using CNC machines
- ◆ Available in IP55, IP66 & IP67 degrees of protection
- ◆ PU Foam gasket for best-in-class ingress protection

Stainless Steel (SS)

- ◆ Fabricated with 1.2/1.6 mm stainless steel sheet
- ◆ SS Grade 304 & 316
- ◆ Available in IP55, IP66 & IP67 degrees of protection
- ◆ PU Foam gasket for best-in-class ingress protection

Flameproof Switchgear

- ◆ Products approved and certified by ATEX, BIS and CIMFR Dhanbad for Gas group I, IIA, IIB & HIC
- ◆ Complete range of Flameproof products
 - ◆ Control Panels, VFD Panels, Busbar Enclosure
 - ◆ All Flameproof accessories

Modular
MCC/PCC Panel

Outdoor Panels

Stainless Steel
Enclosures

Support Arm
Systems

Operator Station

Insulated Enclosures

Control Desk

Server Rack

Modular Floor Standing
Extensible Enclosures

VFD Panels

PC Enclosures

Transformer
Choke Enclosures

**What We
Offer?**

- ◆ Available in Mild Steel (MS) & Stainless Steel
- ◆ Customization in sizes based on user's design and requirement
- ◆ IP Protection (IP55, IP66, IP67) using PU Foam Gasket
- ◆ In-house Integration of all electrical accessories

WHY SIRUS?

One-Stop Solution

All Industrial Electrical & Instrumentation Products under one-roof

Strong Technical Support

We are a large team of engineers with significant expertise in this domain

Quality Assurance Guaranteed

We partner with reputed and quality conscious manufacturing organizations

Technology-backed Procurement

100% transparent and automated process

GST Compliance

100% on-time tax compliant process

Operationally Efficient

Quick turnaround service and responses

Export Capability

Proven export experience
